

THE 3905 CENTURY CLUB, INC.
1000-POINT AWARD APPLICATION

(EACH BAND/MODE SEPARATELY)
(NOT ENDORSABLE)

The 1000-Point Award is earned by making contacts with call signs representing States, DX, Mobiles and Prefixes. This award will be issued only to net participants who have been certified as having earned the 100-point Certificate and the 500-Point Certificate on the same band/mode for which this application is made.

DEFINITIONS:

PREFIX – The **prefix** is the character(s) preceding the numeric call area in the call sign. Some awards apply a different definition, which is given in the documents describing those awards. Examples: **K0WJ**, **NJ9T**, **6W8DY**. It is **NOT K0WJ**, **NJ9T**, **6W8DY**

WILD CARD – A Wild Card is any holder of the 1000-Point or higher progressive award. For the purpose of applying for the 2000-Point and higher progressive or points awards, a Wild Card is a holder of the next lower progressive or points award then the level being applied for. Wild Cards applied toward an award must meet the same band/mode requirements as all other QSLs applied toward that award.

SUPER WILD CARD – A Super Wild Card is a holder of a numbered Master's Degree Award. Super Wild Card Numbers applied toward awards may be from any band/mode. Note that when using a Super Wild Card Number, you are not using a QSL card, a call sign or a specific contact; you are using the Super Wild Card Number. You may reuse the QSL card and the contact it represents, but except for awards that very specifically state otherwise, once you use the Super Wild Card Number you may **NEVER** use that same Super Wild Card Number ever again on any other award.

REQUIREMENTS:

1. All applicants for the 1000-Point Award must have earned or applied for a 100-Point Certificate and 500-Point Endorsement for the band and mode for which the 1000-Point application is made. All three awards may be applied for at the same time.
2. All contacts must be made on **The 3905 Century Club, Inc.** nets and must be on the same band and mode.
3. The 1000-Point Award requires 500 points on this application. The 500 points already earned for your earlier 500-point Endorsement will be automatically added for the total of 1000 points required for the 1000-Point Award. The additional 500 points must be earned as follows:
 - **STATES** - Contact with five (5) different call sign prefixes in each state except Alaska & Hawaii. (1 point each contact) Also one (1) contact each with Alaska & Hawaii. (5 points each contact)
 - **DX** - Fifteen (15) contacts required with a minimum of five (5) different DX entities. (10 pts each contact)
 - **MOBILEs** - Ten (10) required. (10 points each)
4. Each call sign can be counted in only one category. **DO NOT** enter any call sign in more than one category, or more than once on this application. Do not use any call signs that have been used on prior progressive award applications for the same band/mode as this application.

EXCEPTION: Any call sign modified by PORTABLE or MOBILE, and location, is considered a different call sign for the purpose of this award. A call can be fixed, portable and mobile in the home state (Canadian province/territory or other DX), and portable and mobile in each of the other 49 states (Canadian province/territory or other DX), each qualifying as a “different” call sign.

NOTE: No call sign may be used more than once on any of the progressive system awards; i.e., the awards issued for 100, 500, 1000, 2000, etc., points. Once a call sign is used to apply for any progressive award, it may not be used to apply for any other progressive award for that same band/mode. Cards used on progressive awards may be reused to apply for non-progressive awards.

5. On the state prefix portion of this application, you may use up to a total of four (4) Wild Cards for State Prefixes only, but only one Wild Card per state, and not for Alaska or Hawaii. You may also use one Super Wild Card for State Prefixes, but not for Alaska or Hawaii. The use of the Super Wild Card is independent from the use of the Wild Card; i.e., it is permissible to use both one Wild Card and a Super Wild Card for a single state. The Wild Card number and Super Wild Card status (Master’s Degree Holder) must be listed on the cards by the Wild Card or Super Wild Card holder. Applicants must list the Wild Card number next to the call sign and “SWC” or “Masters” next to any Super Wild Card used. Do **NOT** alter a QSL card to add a missing Wild Card number or Super Wild Card (Master’s Degree Award) status – these must be indicated by the originator of the QSL card. The Wild Card must be a contact from the same band/mode as the award being applied for. The Super Wild Card may be from a contact made on any band/mode.

NOTE: Be very careful when using Super Wild Cards because an SWC may only be used once and only once in a lifetime. Once used, it cannot be used again on any other awards offered by ***The 3905 Century Club.***

6. When entering call signs, mobiles must be entered with /M and portable calls with /P following the call sign. Also include the DX or out of country prefix if applicable.
Ex: AA1ZZ /M, KP4/AA1ZZ /P, VE3/AA1ZZ /M, W4/G6AZL
