

**THE 3905 CENTURY CLUB, INC.**  
**FORTIETH ANNIVERSARY AWARD APPLICATION**

(MIXED BANDS/MODES)  
(NOT ENDORSABLE)

The Fortieth Anniversary Award is earned by working a required number of contacts with individual operators in specific categories on multiple bands and modes during the Club's fortieth anniversary year. It is the intent of this award to promote activity across the Club's nets and encourage contacts that will lead to other awards.

In addition to completing the basic requirements, you may continue to accumulate contacts in several other categories through the anniversary year. Submit your application anytime. Your award certificate will indicate the total number of points earned. Current results will be listed on the Club website.

In order to encourage participation in CW, digital, and 160M nets, special multipliers exist for contacts in those categories. You may only apply one multiplier from Requirement 6 to one of the points categories from Requirements 8 and 9.

**DEFINITIONS:**

***DX*** – DX is any entity listed in the ***ARRL DXCC List*** except the 50 states of the United States and the District of Columbia. Stations on boats and planes operating legally within the 12-mile territorial limits of a DX entity as previously defined are considered to be DX operating from that entity.

**REQUIREMENTS:**

1. All applicants for this award must hold a 100-Point Certificate on at least one of the nets run by ***The 3905 Century Club, Inc.***
2. All contacts must be made on ***The 3905 Century Club, Inc.*** nets and may be on any mixture of bands and/or modes.
3. All contacts used toward this award must be made from February 7, 2017 (Zulu) to February 6, 2018 (Zulu), to coincide with the Club's fortieth anniversary year. All QSL cards applied toward this award may be used on other Club awards that do not specifically restrict their use.
4. This award may be applied for on or after February 7, 2017. There is no time limit on the application submission date, but only one (1) application may be submitted by any particular member. Point accumulation ends when the application is submitted.
5. This award requires that each contact be made with a *unique, individual operator*. For the purpose of this award, you may not use multiple instances of the same *operator*, regardless of whether modified by PORTABLE or MOBILE, operating in a different state, or using multiple call signs. Club and special event call signs **may not** be used.
6. **Point multipliers** will be as follows: SSB: x1; PSK or RTTY: x2; CW: x3; 160m (all modes): x3. You may apply only one of these multipliers. In the case of 160m CW, that's CW **or** 160m (all modes), NOT BOTH.
7. The **Fortieth Anniversary Award** requires 67 contacts with individual operators in specified categories, resulting in a number of points, with 155 being the minimum. Beyond the basic award, additional points can be earned by making additional contacts.
8. **Basic Requirements** (67 contacts required, minimum 155 points):
  - a. (3) Contacts with stations in different DX entities, other than Canada – **5 points each.**

- b. (9) Contacts with club officers, other than Master's Degree holders and NCSes. Multiple officer credit for the same operator not allowed – **5 points each**.
  - c. (10) Contacts with Master's Degree holders – **5 points each**.
  - d. (5) Contacts with NCSes, but no more than one NCS contact in any calendar month – **1 point each**.
  - e. Forty (40) Contacts with operators in different US states and/or Canadian provinces and territories – **1 point each**.
9. **Optional Additional Contacts** - If you wish, you may earn more points by making additional contacts beyond the basic contact requirements on pages 3 and 4. If you choose to do so, you would record these additional optional contacts on pages 5 thru 11. You may pick and choose the categories in which you want to make these additional contacts and you don't have to complete all blanks in any category. What you work for additional points is all up to you.
- a. Repeat the requirements of 8e. above:
    - i. First 40 or more additional states, provinces or territories – **3 points each**.
    - ii. subsequent 40 or more additional states, provinces or territories – **5 points each**.
    - iii. Double points in each case if you work 50 before repeating.
  - b. Work mobiles – **3 points each**.
  - c. Work YLs – **5 points each**.
  - d. Work combos – **10 points each**.
  - e. Work from Tri-Points – **10 points each**; to Tri-Points – **5 points each**.
  - f. Work from High Points – **10 points each**; to High Points – **5 points each**.
  - g. Work additional Master's Degree holders beyond the first 10 – **5 points each**.
  - h. Work additional DX beyond the first 3 – **5 points each**.
    - i. Work an Original Charter Signer – **100 points each**.
    - j. Work a Charter Member – **50 points each**.
10. If questions about interpretation of the requirements for this award arise, and you can't reach agreement with your Area Awards Manager, please contact the Awards Committee whose decision on interpretation will be final. The Awards Committee will contact all involved before rendering a decision.
