

THE 3905 CENTURY CLUB, INC.
MILLENNIUM AWARD APPLICATION

(MIXED BANDS/MODES)
(NOT ENDORSABLE)

The Millennium Award is earned for confirmed contacts made with one hundred (100) holders of 100-Point Certificate numbers ending in 00 thru 99. Contact must be made on the band on which the 100-Point Certificate number was granted. This award may be earned using any combination of nets run by *The 3905 Century Club, Inc.*

REQUIREMENTS:

1. Using the last two (2) digits of 3905 Century Club 100-Point Certificates held by operators contacted, complete a list from 00 to 99. This requires 100 contacts.
2. All contacts must be made on *The 3905 Century Club, Inc.* awards nets, any or all bands/modes.
3. The starting date for this award is January 1, 2000. No contacts made before that date are valid toward this award.
4. You may only claim certificate numbers for contacts made on the **band** on which the certificate is held. Mode is not relevant.
5. All applicants for this award must hold a 100-Point Certificate on each **band** represented by the contacts applied toward this award. Bands are 20M, 40M, 75/80M, 160M. The mode on your 100-Point Certificate(s) is not relevant, but is requested on the application form to make verification easier.
6. Only one QSL card from each operator contacted is permitted unless the contact is with a Master's Degree (Super Wild Card) Holder. (See below.)
7. In addition to using one contact with each Master's Degree Holder to represent his 100-Point Certificate number on the band on which the contact was made, a separate contact with each Master's Degree Super Wild Card holder may be used – once each – as substitutes for any 100-Point Certificate number held by that Master regardless of band. Each number on the application form requires a separate contact, 100 contacts total.
8. Use of SWCs on the Millennium Award will **NOT** prevent reuse of those Super Wild Cards on other awards.
9. All 100-Point Certificate numbers applied toward this award must be written on the QSL cards submitted by the originator of the QSL card. QSLs altered by the recipient are invalid.
10. All QSL cards applied toward this award may have been used on prior awards other than the Millennium Award and may be used on other Club awards that do not specifically restrict their use.
11. If questions about this award arise, contact the Awards Committee whose decision will be final.
