

**THE 3905 CENTURY CLUB, INC.**  
**NATIONAL PARKS AWARD APPLICATION**

(MIXED NETS)  
(ENDORSABLE)

The National Parks Award is earned for confirmed contacts made with or from National Parks located in the USA, Canada, or other DX entities on any combination of awards nets operated by *The 3905 Century Club, Inc.*

**REQUIREMENTS:**

1. All applicants for this award must hold a 100-Point Certificate on at least one of the nets from which contacts for this award are submitted.
2. All contacts must be made on *The 3905 Century Club, Inc.* awards nets.
3. All contacts must be made **on or after May 1, 2008.**
4. All QSL cards applied toward this award may have been used on prior awards and may be used on other Club awards that do not specifically restrict their use.
5. The National Park Ranger version of this award is earned for four (4) confirmed contacts made **from** each of ten (10) different National Parks – 40 cards required. Each QSL card submitted must indicate that your location was in a specific National Park. Endorsements are available in increments of ten (10) national parks not previously used toward the National Parks Award, and for all (currently **107**) listed parks, four (4) confirmed contacts made from each.
6. The National Park Tourist version of this award is earned for confirmed contacts made with stations located in twenty (20) different National Parks – 20 cards required. Each QSL card submitted must indicate the contacted call sign was located in a specific National Park. Endorsements are available in increments of ten (10) national parks not previously used toward the National Parks Award, and for all (currently **107**) listed parks, one confirmed contact per park.

**NOTE:** The difference in the requirements between the initial “Park Ranger” and “Tourist” versions of this award are intended to reflect the relative effort and difficulty involved.

7. You may not use a contact on this award with the same call sign more than once in or from the same National Park.

**EXCEPTION:** Any call sign modified by PORTABLE or MOBILE or located in a different state, province, territory or DX entity is considered a different call sign for the purpose of this award.

8. If a listed park restricts operation from the park, either because amateur radio operations are forbidden or because the class of vehicle you are driving is barred from the park, then you may claim to be operating from that park if you are as close as you can get to the park boundary consistent with the safety of yourself and others.
9. Stations operating on a boundary line shared in common by one or more National Parks are considered to be operating from all parks sharing that boundary. You must be as close to that boundary as you can get consistent with park rules and consistent with the safety of yourself and others. The leeway defined in Requirement #8 also applies.
10. **US & Canadian National Parks** – As of the date this award was last revised (see lower right corner), there were no additional qualifying US or Canadian National Parks other than the **107** listed on the application form.

11. **Non-USA & Non-Canadian National Parks** – All National Parks outside the USA and Canada must be verifiable by the Awards Committee as large, federally recognized, protected, natural areas to qualify toward this award. You are advised to seek verification before committing to a long trip to an unlisted park outside the USA or Canada. If verification is required, or if questions about the requirements for this award arise, please contact the Awards Committee whose decision will be final. Verified parks will be added to the application form.
12. **As a matter of periodic routine maintenance by the Awards committee, new National Parks may be added to this application and decommissioned National Parks may be deleted from this application from time to time upon published approval of appropriate governmental authorities in the US and Canada without requiring prior approval by the 3905 Century Club Board of Directors.**

#### **SUBMITTING APPLICATIONS:**

1. After first assuring that each card used toward this award conforms to all of the requirements above, refer to the standard instructions contained in the application for the 100-Point Award, the SWL Award, or on our web site (Awards Program, General Information), or included with this application if it was obtained by postal mail, for submitting applications and paying awards/endorsement fees.

**PLEASE MAIL IN ONLY THE LAST THREE PAGES OF THIS FORM WHEN SUBMITTING YOUR APPLICATION !!!**
